

# Recognized Newfoundland and Labrador Certificates

If you have all of the following certifications you are qualified to weld in Alberta.

Welder	
Certificate Name	Notes
<b>Certificate of Apprenticeship</b> Jurisdiction Trade: Welder Issue Authority: Government of Newfoundland and Labrador, Department of Education.	
<b>Certificate of Qualification</b> Jurisdiction Trade: Welder Issue Authority: Government of Newfoundland and Labrador Department of Education.	

If you have all the following certifications you can apply to take your Alberta B Pressure exam. For more information please contact ABSA at 780-437-9100.

Please note: An inter-provincial red-seal is no longer required to test for your Alberta B Pressure ticket. Some companies, however, may still request that you have your red-seal in order to work
